PERSONAL NOTE · PREPARED 24 MAY 2026

TO

Mr. Xie Xingyao

Hong Kong · On behalf of your principal

Dear Mr. Xie,

Thank you for the trust placed in Pangea Properties. Following our conversations about your principal's brief — a **2–3 bedroom residence near the Burj Khalifa, at AED 8 million**, ready for use during his annual visits to Dubai — I've prepared this brochure for the residence I believe most closely matches what he is looking for.

Vida Dubai Mall · Tower 1 is a **brand-new, fully furnished** serviced residence by Emaar. It is the **largest 3-bedroom layout** in the building, high above Downtown on the **23rd floor**, with floor-to-ceiling views of the Burj Khalifa and the Dubai Fountain — a travel-and-live home that requires no setup on arrival.

01 · THE BUILDING

A GATEWAY INTO A THRIVING CITY.

Tower 1 is the original tower, and the only residential address in Downtown **connected directly** to The Dubai Mall by a private, air-conditioned sky-bridge.

SEAMLESSLY CONNECTED TO THE DUBAI MALL.
