PERSONAL NOTE · A SECOND OPTION

TO

Mr. Xie Xingyao

Hong Kong · On behalf of your principal

Dear Mr. Xie,

Alongside the Vida Dubai Mall residence, a second option has just come to hand that I'd like to present for your principal's consideration: the **St. Regis Residences, Downtown Dubai · Tower 1**.

We have **four units available on the 55th floor** — 5501, 5502, 5503 and 5510 — directly from the developer. **Handover is scheduled for end of 2026**, so this is an off-plan position with payment phased through the build period.

The principal differences from the Vida option: a higher floor with broader downtown reach, the **St. Regis brand** (Marriott) operating the residences, and a fresh-from-developer delivery rather than the ready-furnished Vida unit.
